**To whom it may concern,**

1. The Diocese of Bristol Academies Trust (DBAT) has been a Trust of 15 schools geographically distributed across Bristol, Wiltshire, and Swindon. The Trust is going through a re-brokerage of its secondary school, and a voluntary transfer of the 14 primary schools, which will result in the Trust's closure. Two schools, Kingfisher CE Primary and Deanery CE Academy, left the Trust at the end of August. It is anticipated that the remaining 13 schools will leave by the end of December 2024.
2. The Trust will remain an operating entity until it is formally struck-off. We anticipate this to happen by the end of August 2025.
3. We have been working with all suppliers with regards to existing Trust contracts and to ensure that essential services with our schools continue uninterrupted. This includes updating payment details and contact information. Please contact [finance@dbat.org.uk](mailto:finance@dbat.org.uk) if you have any specific queries in this respect.
